Jai Hanuman
Transport Pvt. Ltd.

We are a transportation company providing dedicated/adhoc fleet and hub model services, delivering goods to and from all over India to the Eastern region at affordable prices..

We empower Businesses with Efficient Logistics Solutions

ABOUT US

Established in the year 2015 in Dankuni, West Bengal we have grown to be one of the premier logistics companies in the region. We have also successfully integrated hub-and-spoke operating model which has enabled optimal aggregation of consignments from a diversified customer base across multiple industries and locations.

With a strong presence in the Eastern part of India and a network spanning over thousands of pin codes, we ensure seamless connectivity and timely delivery of goods. We specialize in providing tailored logistics solutions that cater to the unique needs of our clients.

We are backed by cutting-edge technology & logistics experts

- ❖ Real-time tracking and monitoring
- ❖ Data-driven insights for informed decision-making
- ❖ Proactive issue resolution for minimal disruptions
- ❖ Proven track record of success
- ❖ Experienced logistics experts
- ❖ Customer-centric approach
- ❖ Continuous innovation & improvement

SERVICES

1. ROAD TRANSPORTATION

We understand the importance of efficient road transportation in your supply chain. Backed by our reliable, diverse and ever-expanding fleet our vehicles we are able to deliver your goods anywhere in the Eastern zone of India safely and on time.

We are dedicated to providing exceptional logistics solutions to businesses across India but with a special focus on the Eastern part. With a strong commitment to safety, customer satisfaction, and continuous improvement, our team of experienced professionals ensures the timely and efficient transportation of goods.

We provide Full Truck Load (FTL) and Part Truck Load (PTL) shipments depending upon the size and weight of your good and budget.

Industry Expertise:

We've been in the business for close to decade so we understand the unique challenges and requirements of each sector. Our expertise enables us to provide customized solutions tailored to your business needs

Our Fleet and Technology:

Our ever-growing fleet of vehicles come in all types - closed body, open body as well as flat bed with ranges from 0.5mt to 40 mt.

Our modern and well-maintained fleet of vehicles is equipped with advanced technology for real-time tracking and monitoring, ensuring your goods are always visible and secure.

2. COURIER SERVICES

At Jai Hanuman Transport, we understand the importance of fast, reliable, and secure courier services in today's fast-paced business environment. That's why we're dedicated to providing exceptional delivery solutions to individuals and businesses.

Our Network and Fleet

Our extensive network of courier hubs and sorting facilities, combined with our modern and well-maintained fleet of vehicles, enables us to provide fast and efficient delivery services.

Benefits of our Courier service:

Our advanced platform provides real-time tracking and monitoring, ensuring your packages are always visible and secure

- ❖ Real-Time Tracking: Monitor your packages in real-time.
- ❖ Signature on Delivery: Ensure packages are delivered to the intended recipient.
- ❖ Notifications: Receive updates on package status.

Why Choose Us?

- ➢ Increase Efficiency & Reduce Costs: Our optimized routes and schedules ensure timely delivery while reducing costs.
- ➢ Improve Customer Satisfaction: Our commitment to customer satisfaction ensures your customers receive exceptional service.
- ➢ Enhance Security and Reliability: Our secure and tracked delivery services provide peace of mind.

3. WAREHOUSING & DISTRIBUTION

Efficient warehousing and distribution are crucial components of a well-oiled supply chain. We offer customized solutions to meet your unique needs, ensuring your products reach their destination quickly and safely.

At Jai Hanuman Transport, we offer a comprehensive range of warehousing and distribution services designed to meet the unique needs of your business.

These include,

- ❖ Warehousing and Storage: Secure and climate-controlled storage for short-term or long-term needs.
- ❖ Inventory Management: Accurate and real-time inventory tracking and reporting.
- ❖ Order Fulfillment: Fast and accurate order picking, packing, and shipping.
- ❖ Distribution and Shipping: Reliable and cost-effective delivery to customers.
- ❖ Value-Added Services: Customized services such as labeling, packaging, and assembly.

All our warehouses have 24/7 monitoring with climate-controlled environments to ensure your goods are undamaged and stay secure.

We have Warehouses in the following locations:

- ➢ **West Bengal:** Raiganj, Siliguri, Burdwan, Dhulagori
- ➢ **Bihar:** Patna, Bihar sharif
- ➢ **Jharkhand:** Ranchi

4. DEDICATED COMMERCIAL VEHICLES

We offer dedicated commercial vehicles to meet your unique transportation requirements. With a fleet of modern, fully-equipped vehicles, we ensure seamless transportation services that enhance operational efficiency and reliability.

Why Choose our Dedicated Commercial Vehicles?

- Increase Efficiency & Reduce Costs: Our optimized processes & technology ensure timely & cost-effective delivery.
- Improve Customer Satisfaction: Our commitment to customer satisfaction ensures your customers receive exceptional service.
- Reduce Carbon Footprint and Environmental Impact: Our modern fleet and optimized routes reduce fuel consumption and minimize environmental impact.
- Reduce Risk and Liability: With our use of modern technology the risk of damages and liability is reduced substantially.

A dedicated commercial vehicle offers several benefits,

- Exclusivity: The vehicle is dedicated to your shipments only, ensuring confidentiality & security
- Flexibility: Create custom routes and schedules to meet your unique requirements.
- Priority: Your shipments receive priority handling, reducing transit times & increasing on-time delivery.

OUR STRENGTH

STRONG PRESENCE IN THE EASTERN REGION

Jai Hanuman Transport is one of the handful companies that have a strong presence in the Eastern part of India. We service thousands of pin codes and ensure seamless connectivity and timely delivery of goods from the mainland to this part of the country. With a strong commitment to customer satisfaction, innovation, and continuous improvement, our team ensures your packages are delivered safely and on time.

Rated amongst the Top Logistics Companies

We have been in the logistics business for over 10 years and in that period, we've worked with some of the largest companies in India like Reliance, Voltas, Mahindra, Livspace, TVS, Flipkart, Delhivery to name a few. With that experience behind us we are able to understand the unique challenges and requirements of each sector.

Our Facilities

Our state-of-the-art warehousing facilities are strategically located near major transportation hubs, enabling fast and efficient distribution. All our facilities are provided with 24/7 monitoring, secure access control, temperature and humidity control to ensure your goods and products are stored, handled, and delivered safely and on time.

OUR CLIENTS

We have the privilege of working with a diverse range of clients across various industries.

By replying our logistics, our clients can focus on what they do best - growing their businesses and making a positive impact in their industries.
